

MLK Jr Day of Service and Justice, 01/18/2021

All Plymouth Meeting Friends School students, families, faculty, and staff are welcome to join us in this year's virtual Dr. Martin Luther King, Jr. Day of Justice and Service. All the activities are designed to help us CONNECT with one another, SUPPORT our communities, and LEARN more about social justice, racial justice, and equality.

Parent Resources: MLK Jr Day videos by grade & book links

This year, families can participate by watching these videos, selected for your grade group, and then respond on the FlipGrid! Flip through others' responses and pop around to other grades. While watching, consider the following self-reflection questions:

- *What did this video make you think about?*
- *What do you think about social justice?*

(Younger grades may instead enjoy drawing a picture and writing a couple sentences about their observations)
