Dear Friends,

Thank you so much for your Meeting's recent gift of \$100.00 received on December 31, 2021. The support of Friends is so meaningful as we partner in our work for lasting peace with justice. I cannot thank you enough for your generosity!

When disaster strikes, those already facing poverty and inequity suffer the most. This has been doubly true during the COVID-19 pandemic. AFSC is working hard to address communities' immediate and long-term needs. Besides essential humanitarian relief, we do the steadfast, long-term work to address injustice. We will not stop until we change the systems that leave far too many people struggling.

Your partnership is crucial to our work's success. Your commitment and support allows AFSC to stand firm against injustice. It powers our advocacy for the real needs of people around the world. It gives us the needed resources to respond to crises.

Thank you for being a part of the AFSC community. You can find more ways to connect your meeting to the work of AFSC at [afsc.org/friends-engage](https://afsc.org/friends-engage) or by emailing [friends@afsc.org](mailto:friends@afsc.org). Together, we will continue to build a future free of violence, inequality, and oppression.

In peace,

Joyce Ajlouny  
General Secretary
